

UBGF Board,

Every person entering a dog in one of our trials deserves a level playing field. We do not offer them that at this time. No matter how honest a person might be it does not look good to have a judge who owns dogs with the a person running dogs, handles dogs for the judge, pays the judge to handle dogs for them or is paid by the judge to handle dogs running under each other.

I can see nothing in this rule change that can hurt or sport and only those who are causing the need for this change will appose it.
